

Making A Difference Together

Dear Friend,

As we step into the New Year, we are thrilled to share exciting news we believe will significantly amplify the impact of our mission to enhance educational outcomes for marginalized youth in our community. We are delighted to announce a collaboration between *Snack Pak 4 Kids SA* and **UP Partnership**, a dynamic organization committed to educational equity.

With *UP Partnership's Excel Beyond the Bell* network, we now have the opportunity to share data and advocate for increased access to first-rate developmental programs. Together, our goal is to create pathways for student success, with a specific goal of ensuring that 70% of high school graduates enroll in postsecondary degree or credential programs by 2030.

We extend our deepest gratitude for your ongoing support, which has been instrumental in the success of *SP4KSA*. With this collaboration and the support of *UP Partnership*, we are confident we can make an even greater impact fostering positive, long-lasting change and economic mobility for the students we serve.

Thank you for being an integral part of our mission to empower all students, especially those who are the most vulnerable in our community.

Warm regards,

Michelle Young Angulo
Executive Director
