

## Celebrating Our Monthly Donors

Dear Friend,

February may be known for love, but at Snack Pak 4 Kids SA our hearts beat year-round with gratitude for our incredible monthly donors! Like a steady drumbeat, their consistent support provides the rhythm that allows us to enhance educational outcomes for chronically hungry kids.

### Why We Love Our Monthly Donors:

- **Stability and Reliability:** Their unwavering commitment allows us to plan for the future, expand our program and make an impact on more hungry children. It's like having a dependable teammate you can always count on!
- **Amplified Impact:** Small ripples create big waves! By spreading their contribution throughout the year, they maximize their impact and create a powerful current of change.
- **Reduced Costs:** Monthly giving saves us time and resources on administrative tasks, allowing us to focus on what matters most – Creating **HUNGER FREE** weekends for children.
- **True Partnership:** They are not just donors; they're partners in our journey. Their unwavering support inspires and motivates us every day.

### Ready to Join the Love?

If you're not already a monthly donor, we invite you to become a part of this incredible movement! By joining our dedicated circle, you can:

- **Make a consistent difference:** Even a small monthly gift can have a big impact when combined with others.
- **Be part of the solution:** Know that your contribution directly helps us create a brighter future for the children we serve.

Tim Watson: A Champion for Hungry Kids in Our Community

In the face of COVID-19, Tim Watson didn't hesitate to help. He mobilized himself, colleagues, and family to pack and deliver Snack Paks for hungry kids. His company, *Alamo City Spine*, continues to provide crucial monthly financial support, and whenever possible, Tim personally joins deliveries.

Tim Watson isn't just a volunteer; he's a champion for our community's children. His dedication shines bright, reminding us that even in difficult times, individuals can make a real difference.
