

Celebrating Our Amazing Volunteers

Dear Friend,

As we approach National Volunteer Week, I want to take a moment to express our deepest appreciation for the incredible contributions you make to Snack Pak 4 Kids SA. Your dedication, passion, and hard work are the very essence of our organization, and we are profoundly grateful for everything you do.

Every volunteer brings a unique set of skills and experiences that enrich our organization and make a positive impact in the lives of the children we serve. Whether you're assisting at packing events, delivering to schools, distributing Snack Paks to classrooms, or raising awareness of our mission, your commitment to our cause shines through in every action.

We invite you to share your stories and experiences with us. Your voices are powerful advocates in helping us end weekend hunger for children, and by spreading your stories, we can inspire others to join our cause and create an even greater impact together.

On behalf of the entire SP4KSA team, I want to extend our heartfelt gratitude to each and every one of you. Your dedication, kindness, and unwavering support are truly the heart and soul of our organization, and we are profoundly grateful for the opportunity to work alongside such incredible individuals.

Thank you for all that you do, today and every day.

With deepest appreciation,

Michelle Young Angulo
Executive Director

Half Price Movers goes beyond lifting boxes, they are lifting spirits! They graciously provide transportation support in delivering Snack Paks to the campuses we serve. Their team always arrives at our warehouse with a smile on their face and ready to serve. We appreciate their commitment to our community and to the children we serve. You can find out more at halfpricemovers.com.

Give Today

Don Elliott and Denise Pride have supported our mission for many years. They were instrumental in helping purchase our box truck in 2019. Don and Denise graciously stopped by the warehouse for a tour and to witness our growth as well as hear how we plan to serve even more hungry students in San Antonio. Thank you Don and Denise for helping us make a difference in the lives of children!
