

## Empowering Children to Thrive

Dear Friend,

As we immerse ourselves in the vibrant season of spring and celebrate National Nutrition Month, I'm compelled to share with you our unwavering commitment to tackling weekend hunger for children in San Antonio. Especially during the critical 67-hour gap between Friday lunch and Monday breakfast when many children in our community lack access to nutritious meals.

Here at Snack Pak 4 Kids SA, we believe every child deserves to focus on learning, not hunger. Through our weekend Snack Paks, filled with quality kid-friendly, shelf-stable, and nutritious food, we bridge the gap and nourish both bodies and minds. Currently, we are feeding 3,500 children every weekend, ensuring each child receives the essential calories and protein they need to thrive both academically and emotionally. However, we cannot do this alone.

We invite you to join us in making a difference! Whether you choose to donate or volunteer your time, every contribution helps ensure no child goes hungry. Visit our website at [sp4ksa.org](http://sp4ksa.org) to learn more about our program and volunteer opportunities. Together, let us continue to champion the cause of nutrition and wellness, ensuring that every child has the opportunity to flourish.

Thank you for your ongoing support in our mission to nourish hope and combat weekend hunger.

With gratitude,

Michelle Young Angulo  
Executive Director
